

# HMEA's 2016 incredABLE Walk Route Map

This walk route takes you up and down a short hill, with sidewalks all along Constitution Boulevard.

Start out heading north from the starting line, following the blue line and the markers around the parking lot, then south and east along Constitution Boulevard. Turn around when you get to Upper Union Street, and follow the markers back in reverse order, until you reach the finish line at the EMC soccer field.

Volunteers will line the route to help out, and water is available at the water station mid way through.
